## *A Message from Our Co-President*

Greetings from sunny SW Florida! I'm looking forward to coming home and seeing all of you. The April meeting plans are wonderful. Thank you to all who took over my duties this winter.

The Garden Club I belong to here is much like MWC in that the women are like you—fun loving, generous, and committed to serving the community. I'm coming home with ideas for us. Happy spring. I hope we have at least one more snowstorm when I get home. 😊

*Co-President – Diane*

## Lake Erie District Update

FYI: Domestic Violence Awareness and Prevention – This is a complex issue as to rational of staying/returning to abusive relationships. Some reasons are: Fear, Beliefs, Pressure, Lack of Social Support/resources. Victims/Survivors return to abuser(s) for many reasons. Most leave the domestic violence eventually.

Ways we members of GFWC Clubs can encourage community awareness of Domestic Violence and Prevention is by educating self, educate others, make local community/state representatives aware, learn why social change is needed, advocate reasons help is needed with Domestic Violence Awareness and Prevention. Through GFWC member volunteers service we can 'shine light' on programs. More information can be found at [www.gfwc.org](http://www.gfwc.org)

Our Mayfield Club continues to advocate for Prevention of Child Abuse in the month of April. In past years, pinwheels were displayed within the community as a project to inform public. Eastlake Women's Club will be displaying blue pinwheels at their City Hall and other sites to enhance awareness. You may choose to place a blue pinwheel in your yard.

Human Trafficking continues to be evil within communities. Programs for local communities are awareness training, in school systems and assisting with public programs. Obtain more data: [www.gfwc.org](http://www.gfwc.org)

Our LED Clubs engage/support many programs through advocacy, development, building awareness to the betterment of all. Each of us need to continue the beautiful selfless work of promoting, supporting dedicated work. You/we make a positive difference for the good in our world.
