

The theme of the 2015 Banquet and Installation of officers is "Puzzles." When all pieces of the puzzle fit together to create a complete picture, our goals are clear. Each member of the Mayfield Women's Club is an essential part of our whole, and together we create a better community.

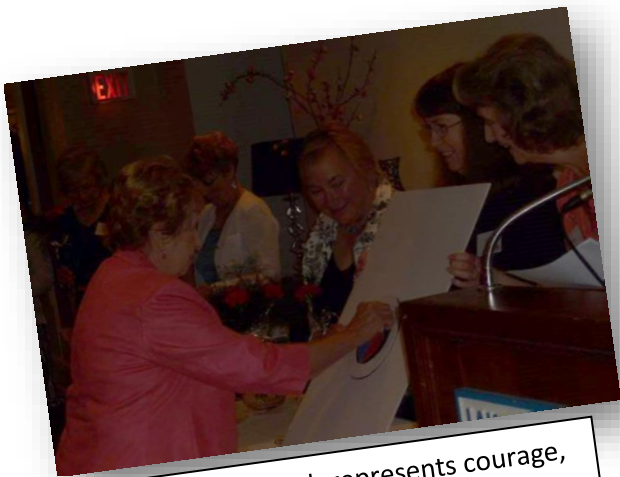

The Puzzle that our newly inducted officers are completing is the GFWC logo.

The first piece is the world before enlightenment

The circle of enlightenment is added

The Shield which represents courage, purity, and constancy is added. The **Red**, **White** and **Blue** are the colors of the United States of America

The final pieces of the GFWC puzzle are added by our co-Presidents
