"Leadership Unmasked" Installation of Officers

October 23, 2020

Because of the unusual circumstances due to the Pandemic, our Annual Installation of Officers meeting was postponed from June until October 23, 2020. Our very clever Chairman, Marie, planned and executed the installation at the Pavilion at the Grove in Mayfield, OH. We were right next to the playground, and the children's laughter added joy to our meeting. We were blessed with 70+ degrees and sunshine.

Our red carnations are ready for our new officers.

Because Marcia had to leave to go to work, Marie installed her first as Corresponding Secretary.

Hi, Joan, our "Butterfly" lady!

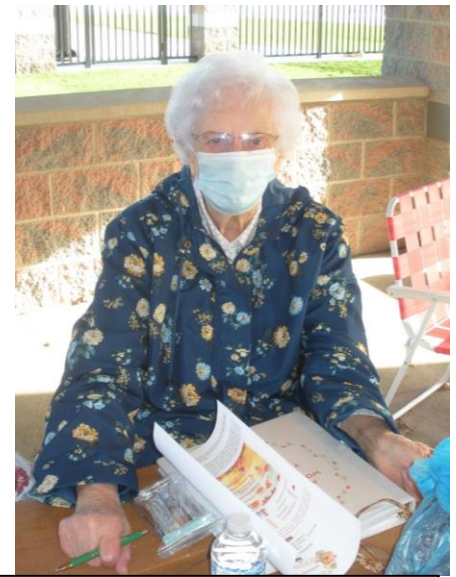

Our members came masked and socially distanced for the Installation of Officers.
