MWC'S CO-PRESIDENT'S MESSAGE

Hi ladies, As we look forward to our club activities for 2020, I am reminded we have arrived at a new decade. *Wow!* That sounds like a good metaphor for having "2020 vision". Let's envision wonderful things for our club this year. Our January meeting will involve getting volunteers for our 2020-2021 Club year. We need a Slate of Officers to vote on at our February meeting. Please take some time and think about an area that you would be interested in participating in next year! We have a great group of talented ladies.

Looking forward to seeing you soon,

Georgene

Diane has greetings to share from Florida~~~

Happy New Year from sunny SW Florida,

I've been enjoying all the music I get to play down here, the pool, and riding my bike again for the first time in a couple years. Thanks for keeping me updated on things you are doing. Send pictures!

I love starting a new year with new ideas, goals and challenges. Mayfield Women's Club members always step up to making our community a better place to live. I am proud to be a member and appreciate your support and encouragement. I'm working on ideas for our Paint and Sip Party, as well as items for the auction.

See you in the spring,

Diane

International

Heifer International

We will be collecting for Heifer International during the January and February

meetings. Last year we collected enough for three flocks of chicks 🐣. The offspring or product of the first gift is shared with another family in the village. This eventually helps out the whole village! Thanks for your support.
