### Messages from Our Co-Presidents

The sun is shining and the flowers are blooming.     We are sad that this will be our last Co-Presidents' message and would like to *thank every one of you* who has worked so hard at keeping our Club active and vibrant these last two difficult years. Highlighting our success has been our unity in supporting the Scholarship Fund and being able to support students from the Mayfield School District.

Kudos to our Committees for all the time, effort, and contributions to the many projects that enhance our philanthropic mission.

See you at the June Annual Meeting and Installation Banquet where our new Board will be installed.  
*Co-Presidents ~ Loretta and Diana*

### International Committee

Dear Friends,

My apple trees are blooming. The lilac bushes are budding and daffodils are dotted everywhere in their glorious gold garments with multiple bunches of small white flowers in the front yard and back leading into the park.

Multiple new generations of animals, we share our lives with, are coming to visit from the park. It is like a never ending zoo.

The park is wearing a mantel of soft green that becomes deeper with each passing day. I think it is safe to say spring is coming to visit before summer pushes its way into our world.

I revel in being able to share and observe this world. As this world awakens and starts to bloom we look to the ending of another year of Women's Club. Like the return of spring, this year has seen us dealing with the lessening of the virus limitations, sending out tenuous tendrils to rejoining the world –as we used to know it, but it will never be the same.

I am in awe of how much we have done and shared in spite of the restrictions. The projects completed—scholarships, meetings our beautiful International evening with member presentations—all this in more challenging times where everything is more complicated. Everyone trying to do their best under prevailing conditions — for the Club.

International will be looking for varied opportunities to serve this coming year. Thank you for your support for so many years.

~ Patt

### Ways & Means Committee

Avon Fundraiser—Due to complexities with the new, foreign ownership of Avon products, we will **not** be fundraising online as previously described. You may order online, if you are simply interested in obtaining their products, and Gail, our representative can handle your orders.

Instead, we will have the opportunity to purchase from Gail's inventory of Avon goods at our Saturday, June 4th, Installation Banquet event with a percentage of sales benefitting our Club. Details will follow at our next meeting.

As always, thank you for your support, Ladies!!

~ Marie

### Welfare/Philanthropy Committee: Collection:

- Snack Bags for Ronald McDonald House Family Rooms – Snack size bags of chips, pretzels, granola bars, raisins, pop-tarts, microwave popcorn, crackers, cookies, fun fruits, and drink, boxes and pouches.
- "Give and Take" Book Table

~ Chris & Marty

Important  
Notice!

At this time **DO NOT bring any pill containers to the meeting** as we don't at this time have any way to get them to the non-profit Mathew 25 in Cincinnati. We are working on this problem so stay tuned and keep the clean empty containers until further notice. Thank you.

~ Jeannie

### Historian's Book

Please save any correspondence you have received that Stasia may not have for the book. Currently, there are few thank you notes or receipts from donations and they need to be added to the Historian's Book. Please bring any information you may have to the May meeting and give it to Carolyn. Carolyn will make certain I receive it. **NOTE:** The Historian's Book needs to be complete **before** the Banquet.
