Board Meeting: Monday, May 17, 2021; 6:00 PM

General Meeting: 7:00 PM

Mayfield Village Community Room

♥ **Special Rules & Regulations in Co-President's Message**

MWC'S CO-PRESIDENT'S MESSAGE

This is a special time for the members of MVWC. After more than a year of not being able to meet, we will now be together again. It will be a time to reflect on our accomplishments and to evaluate what immediate responsibilities await our attention.

Thank you for all you have done to continue to make MWC a success. A special thank you to Diana for all of her help.

After talking to Debbie at City Hall, I received a letter detailing the **Rules and Regulations** regarding the use of the Community Room. The highlights are following:

1. Capacity: Maximum 45 people
2. Room: There will be 9 round tables with 5 chairs each. 2 rectangle tables. These will be placed at a proper distance. **Do not move the chairs.**
3. **Facial coverings are required** unless eating. Food and drinks are to be consumed while seated.
4. There will be no microphones, sound systems, projector or screens.
5. Good judgment will be exercised in social distancing and hand washing. Stay at home if coughing or not feeling well.

We will meet at the Community Center on May 17, 2021. The Board will meet at 6:00 and the General Meeting at 7:00. There will be wrapped snacks and bottled water.

WE are looking forward to seeing you. Diana and Loretta are wishing you all Good Health.

COMMITTEES

NOTE: A list of the Committees and the Committee Form will be emailed separately for you to review your participation. Think about what you want to do and how you want to participate on the Committees ~ Member or Chair/Co-Chair? We all need to be a contributing member to our Club. Please reply to the separate email by May 17th or bring your completed paper to the May 17th meeting. We do need a new Chair for Ways & Means. Please review the listing.

Banquet | Installation ~~Diane

Our Annual Installation of Officers will be held on Saturday, June 6th, 11 am at Riley Park, that is behind the Mayfield Historical Society Building. Several members would like to go to lunch following the ceremony. Hope to see you all there.

Conservation ~ ~ Joan

May ~ the perfect time to sit down and relax with a cup of hot coffee or tea and seriously start planning what you will do in your yard or on your balcony this year. Pollinator Primer III (Part A) and (Part B) will be emailed this week. They will give you loads of ideas on making a more pollinator-friendly area. The world-wide decline of pollinator populations has implications for food security and our environment. Participating in this project is a way MWC can play a part in helping to increase the population of pollinators.

**International** ~ ~ Patt

May is always special to me. Not because of my Birthday May 1, but more because it is the beginning of new life, new growth, reawakening of the earth. I have felt so blessed to have begun life at that time of the year.

**SPRING**

God has made some wonderful things—

Birds and bees and butterfly wings,

Springtime showers, flowers, too

And special people just like You

I feel each of you is special in your own way for the part you play in our Women's Club. I truly feel blessed to call you friends.

A GOOD LIFE

is measured by more than candles on a cake

It's measured by the people
whose lives you've touched
and who have touched yours.

By the dreams you've seen come true
and the ones you're still working on.

By the joyful times when life was easy
and the challenging times when faith saw you through

A good life is really something to celebrate!!

This May there is so much to be celebrating and be grateful for—the memories of family and loved ones, present and gone. The mothers we share or shared our lives with and honor— in May— and love all year. The children and people we love and are so grateful for having been part of their journey. Those who fought to give us the way of life we have enjoyed. May it be the beginning of good new blessed times in your lives as spring moves into summer.

May we always be thankful for those we love and the lives we share. Smell the blossoms! 

Social ~ ~ Sue

We held a Social Zoom meeting on 4/7 and five ladies were in attendance. Another is being scheduled for Thursday, 5/6 at 3:00 pm. If you would like to join in, please let Sue know so she can send the link. There was also one phone call between 2 of our members that was facilitated by the Social Committee. I understand that also went very well.

Welfare ~~ Chris

Bernie stated there is a need again for books for elementary school children. This will be ongoing until I hear otherwise. Bring what books you can to the May meeting and also collect them during the Summer.
