Committee Updates

Education & Scholarship Committee

The Education and Scholarship Committee met and selected eight winners for our scholarships. The Mayfield High School Awards Assembly will be at the high school on June 1st, 9am. The names will be announced then as well as at our banquet. Thanks to the members of the committee for their help: Pat, Marcia, Audrey, and Judy. Also, thank you to everyone for their generous contributions. After reading the applications, I can assure you the money was well spent. Some of these young people are going to go on to do wonderful things.

International Committee

Our gratitude for the support International has received this year and for so many previous years.

Our members are our strength in this organization, our Board is our driving force and leadership. We are grateful for both.

The years go by for all of us and we realize we face challenges, good and not so good in each of our lives.

The Sioux Indians, where I once lived, have a saying, "Walk a mile in another man's moccasins and you want your own." These past years have had new challenges— but our Club has survived thru the fortitude and dedication of our members. Thank you for those years.

~~Pat, Diana and all who have worked with us within the Club.

Please keep Diana's mother and their family in your prayers as their vigil continues.

On a personal note. The apple trees in the front and back yard are blooming again for my Birthday, 93 this year. I welcome each year as the beginning of another season of new life and growth. The Park is greening up to a beautiful background for the life I see return. Soon the animals will bring up their young to share our life and the old woodchuck and raccoon who live in the hollow oak will sit on the rock at the base and savor the sun. Thank you to all of you who have shared my life, my memories and my love. I truly have been blessed.

Lake Erie District Update

A quick update on our donated garden supplies for the 150th GFWC/Ohio Convention! First, I want to thank all the Club members who donated garden gifts for our baskets! There 30 plus donations and we created 4 small baskets and 25 individually wrapped items which were used in the raffles! The attendees really enjoyed all the baskets available! A grateful thank you to Patsy for her exceptional talents with bows, ribbons, and special florist cellophane! Thank you to Chris for her help as well! Each of our baskets and wrapped items were perfectly arranged within the raffles! Our Club shined to help celebrate the 150th anniversary of GFWC/Ohio.

At our May meeting, I will give a detailed report of this very successful convention which Jeannie and I attended. Our GFWC/Ohio leadership is exceptional and have many ideas for the upcoming Club Year.
