

THE FAMOUS INTERNATIONAL POTLUCK AND CHINESE AUCTION

APRIL 10, 2017

The Mayfield Women's Club held its biggest fundraiser on April 10. There were about 100 members and guests in attendance. The event was held at the Mayfield Civic Center.

Members brought friends and family members. Women from Eastlake Women's Club and Hillcrest Women's Club were in attendance to support MWC and have a really good time.

Everyone is anticipating the great food and the drawing of the winning tickets!

Putting in what is hoped to be the winning ticket

Look at all those beautiful baskets—
everything from flowers to foaming bath oil,

chocolate to coffee and tea, things to wear, use, and eat!!

Is that a planter that looks like a blue jean kid sitting at a school desk?

Showing just a part of the fantastic International dishes. I saw German, Irish, Italian, Chinese, Polish and Kentucky dishes all grandly represented.

The desserts were amazing—low calorie and healthy ingredients!
