CO-PRESIDENT'S MESSAGE

ello ladies, It's May and that means warmer and sunnier weather has arrived! At least we sure hope so... No matter what the weather MWC continues to do amazing things ... Our International raffle and pot-luck was a great success! Thank you for all your efforts in making this happen. This month we need to approve a new budget, decide on donation recipients, and organize committees for next year. Please be thinking of a committee or committees you would like to participate in or perhaps even chair.

We hope you all can attend the Annual Meeting and Banquet on Saturday, June 1. It is a very special day to celebrate US in all that we have accomplished this past year! Come and enjoy the good food, good friends, and welcome our club officers who will be serving in the near future! Looking forward to seeing you at the May meeting!

May Program

Carol Lucas from Cuyahoga Community College will give a PowerPoint program called "SEND IN THE CLOWNS" about the lives and legacies of some of the world's most memorable comedic entertainers.

Banquet

REMINDER-- Bring your Installation Banquet check! RSVP's MUST be in at the May meeting.

Conservation

Last month I listed 10 ways we can help with conservation here in our own homes. Some of these are quite easy, but it takes motivation to put them in action. I challenged myself to try and do one thing this past month towards improving conservation. Here's what I did:

I bought a reusable telescoping metal straw through Amazon.com/smile!

I am all set for my next cruise! The down side of this is that I really should take this portable straw with me all the time and use it instead of a plastic straw, but I really don't need another thing in my purse! I will try it for a while and *see* if I remember to use it. Now this is just a very small step forward, but if I do something every month, and if I tell people what I am doing, it may catch on and make us more aware of how we use our resources.

During the next month I plan to sew a few grocery bags from a washable material AND keep them in the car AND remember to take them into the store. Whew. I hope I can remember all that! If I can do it even most of the time, I will have fewer plastic bags to remember to take to the recycle box, and I will have saved some of our resources. Have a wonderful summer!

International

A grateful thank you to the members of the Mayfield Women's Club for the support given to INTERNATIONAL the past year and many prior years.

The spirit of this organization for working together to achieve a common goal *is* an example to any organization.

May your summers be fun, relaxed, and blessed with good health and companionship. Thank you personally for all the years shared.

See you in the Fall.

Social

The yearly Captains baseball game *is* set for July 19th. We will have seats similar to fast year. (Near the door and food).

Cost *is* \$9.00 for general admission \$6.00 for handicap sticker, \$ 7.00 for food voucher (soft drink, hotdog, hamburger or chicken sandwich, and soft drink.)

Sign up at the May meeting. Bring the family, friends, next door neighbors and enjoy a fun and fireworks evening.

Gail B

Treasurer

Any and all bills - *with the exception of those for our Annual Banquet* - are due to me **NO LATER** than our next meeting, May 20. If I don't receive your completed Expense Request sheets and receipts by May 20 you risk not being reimbursed.

We also will determine year-end donations at our May meeting. As a result I also need to receive an accurate estimate of final expenses for the Annual Banquet *so* we know how much we have available for year-end donations.

Thanks for your attention to this matter.
