CO-PRESIDENT'S MESSAGE

We would really like to thank everyone who participated in making this year's International Potluck such a huge success. I know how Vaughn, Loretta, Patti, Sally, and Stasia spent many hours setting up the tables and everyone's delicious food. And, as usual, Chris, Jean and Cathy did a terrific job with the organization of the baskets and raffle. Thank you also to all of the members for making sure we had plenty of great food and wonderful things to raffle. I am so proud of all of you and your participation to put MWC's best foot forward.

We would also like to mention the Convention in Columbus. It was really a great experience to meet other women who want to make our State a better place to live. The speakers and workshops were very worthwhile. If you get the chance, please consider going.

★ May Program

Our program on May 15th will be given by Cleveland Storyteller, Dan Ruminski. He will do a PowerPoint presentation on "Famous and Infamous Women of Millionaires Row". Dan is a riveting speaker and knows how to capture an audience's attention and invite them to hang on every word!

Scholarships:

Scholarships have been selected. Mayfield Honors Day Assembly is May 17th. Eight scholarships will be presented at that time. Thanks to everyone for raising the money. Our hard work will make it possible for eight young people to pursue their dreams.

With great appreciation....

The Scholarship Committee: Carolyn A, Gail B, Jane C, Laurie E, Judy W

Social Committee:

The last social get-together of the year is being combined with the Ways and Means Committee. On Thursday, May 18th, the Club will get back 10% of everything you purchase at California Pizza Kitchen, as long as you remember to give them a flyer. A group of us will be going together and deciding on the time at the General Meeting. Remember the Flyer is good all day. We hope you are able to go! The flyer is at the end of the newsletter and attached separately.

Treasurer:

I hope that everyone is enjoying the beautiful spring in Cleveland! It is so nice to see the sun shining and even to have some rain to brighten the flowers and the grass. Hopefully, each day will be a good one for everyone.

Now to get down to business. A reminder to submit any bills that you might have to me as soon as possible. This is important since it will make it easier for Barb S when she assumes the Treasurer's office in June.

With the end of the Club year approaching, we will need to make decisions about our end of the year donations. If you have a particular charity that you would like to add to the donation list, please bring that info to the meeting on May 15th (name and mailing address are needed) so we can decide on donations.

Lastly, please consider participating in the end of the year audit that needs to occur. Consider donating an hour or two of your time to visit beautiful South Euclid and help with this.

Yearbook:

Diane S will be taking pictures for the Club Yearbook Directory at the May meeting. New members and anyone wanting a retake, just in case you changed your hair color or style and we wouldn't recognize you :-)

Also, there have been events/dining out/socials/program meetings and I have not yet received pictures. Please turn in the pictures as they happen to save Barb and me a lot of last minute work!

★ **OFWC Information**

Ohio Federation of Women's Clubs has a new website.

Martii and I saw the new OFWC website at the GFWC/OFWC Convention in April. If you want to access it, the URL is: <http://www.gfwcoho.com/>

You can access information on the first six tabs across the top. If you click on the "Clubs" tab you can see what other clubs around Ohio are doing.

However, if you want to access information in the "Member Clubs Directory" which also has copies of the various state forms that we use, you need to sign up. Do this as follows:

- Click on "Login/Sign up"
- Fill in your email, password and retype your password
- Click on "Go"
- If this is your first time, the information you just typed in will go to Maddie Crish, the Webmaster and she will compare your email to the one she has (from the information she has from our Yearbook). If she finds it, she will approve your access and you will receive an email confirming your registration. If access should be denied, let me know and I'll see what I can do.

Since Maddie isn't on the site all the time, this may take a number of days before you receive your confirmation. So if you think you will ever want to access member information or OFWC forms, sign up today.
