Following the treats of donuts and cider, the guests decorated Halloween pumpkins with assorted stickers making unique decorations to celebrate the coming holiday.

The October project making assorted cards by recycling other cards was fun for everyone. The cards were delivered to Villa Serena wishing everyone a Blessed and Happy Thanksgiving.

There will be no meeting in December. The Holiday Dinner will be held at The Firehouse Restaurant on Monday, December 11<sup>th</sup> at 6:00 PM. Please bring *unwrapped* mittens, winter scarves, winter gloves, jewelry pins, stuffed animals, hand cream, hand sanitizers, body lotion, cologne, nuts, candy, cookies to be given as gifts for special MWC friends. Call Chris B or Martii L for pick up before December 10<sup>th</sup>.

### **Conservation**

Fall is here and winter is approaching so it's important to check out energy saving tips!

Open the drapes/shades on the south side of your home during the day to bring in the sun which will naturally help heat up your home. Then in the evening close those drapes/shades to keep out the cooler air.

On Thanksgiving, try to prepare side dishes that cook at the same temperature as the turkey so your oven won't be on for extra time.

Other energy saving tips for Thanksgiving and for Fall/Winter can be found at the following websites:

### **International**

There will be a collection of boxes, checks, and donations for UNICEF at the November meeting. If everyone could return their boxes or donations it would be gratefully appreciated. It would be nice to have this done and sent in before the Holiday Party.

Thank you for all the support throughout the years. We are not many in numbers, but we are so large in heart.

May Thanksgiving be a time for all of us to remember how very much we have to be grateful for, as a citizen, and as an individual, and for all the wonderful things we have enjoyed in our lives, such as, friends, family, love, faith, companionship. The list is unending and so easy to take for granted.

Find a moment for a thought or prayer for those who have so little. We will all be better for a moment of thought for others. Love and health to you all.

## **Legislation**

Thank you to all who voted Nov. 7<sup>th</sup> regarding your County, City Officials, State Issues, School Boards and etc. We appreciate that we have the opportunity to decide who and what we want for ourselves. We wish all the elected officials a successful term and that all the passed issues are handled wisely by their designated leadership.

#### [Our Town and All Around Books:](#)

We have a terrific book in OUR TOWN AND ALL AROUND, this year. Significant coupons from Legacy Village will quickly pay for the book and more! Have you considered trading coupons with friends from other parts of town? Remember too, some coupons can be used singly, so you save 50% of your bill. Shop at the West Side Market? Know someone who does? Share your coupons with them!

Grandchildren love Fast Food? Lots of those coupons, to pass on to them! They will thank you.

Movie coupons, special event coupons, online shopping discounts to some of your favorite retailers, all this is available to you, and more.

The price is still \$28.00. No one, contractually, is allowed to sell at a lower price. And the price is well worth it!

Books will be available at the November meeting and if you want some, sooner, just let me know.

Thank you for supporting our Mayfield High School scholarship fundraiser!
