Messages from the Co-President's

Greetings to All,

Whew! We are ready to start a new year! What a difference!

Last year, due to Covid, we tried to have the past Presidents Diane and Georgene continue into the new Club year. By Laws were cited and Loretta, Diana, and the new officers had to be inducted in Oct. 2020.

We had in-person outdoor meetings till November when it got too cold. All activities including our June 2020 Banquet and 2020 Holiday dinner were cancelled. However, the Club was still able to award 7 scholarships through Club funds and individual contributions.

Throughout this time, Marcia kept us informed and together. We had combination Board and General Meetings for Feb., March, and April on Zoom. By May, we were able to return to the Community Center for our Board and General Meetings. We had our induction of two new members and Installation of Officers for 2021-2022 in June at Wiley Park. Then, we had our President's Picnic in August with 34 members attending (Yea!). At that time, we also had a farewell tribute for Barbara, who was presented with a framed verse and scrapbook of cards and pictures from Club members.

We are ready for 2021-2022.

Thank you Marcia and all members who helped us to keep our Club going.
See you at the September Board and General Meetings.

Loretta and Diana

Committee Updates

Art Committee

The Paint Party is scheduled for Saturday, Sept. 11 at Diane's house. The road construction is complete so it is easier to get here. There is no charge, but you can make a donation to the Club. Diane will email everyone who signed up with directions and more information. If you can't come, please let her know.

International Committee

There will be no UNICEF Drive this fall due to the organization discontinuing the program due to COVID. This committee will be looking for alternatives and welcome any suggestions relative to the fall drive. Depending on the circumstances in February there will be a Heifer International activity.

As the summer draws to a close, I cherish having seen so many of you at the August Picnic. The opportunity to share our lives and time together, means a great deal to me.

I want to share some thoughts I have framed on the wall in the kitchen over the desk for the last 30 years.

Stay well and safe. I know we will have a great year together!! –Patt

I BELIEVE
THAT LIFE WAS MEANT TO BE
EMBRACED
NOT JUST ENDURED,
TREASURED
NOT JUST TOLERATED,
SAVORED
NOT JUST SURVIVED,
ADVERTISED
NOT JUST AVOIDED,
ILLUMINATED
NOT JUST IGNORED,
AND MOST OF ALL,
I BELIEVE
THAT LIFE
WAS MEANT TO BE
CELEBRATED!!!
