Messages from our Co-Presidents

Greetings from your Co-Presidents! Autumn has finally arrived with its spectacular colors. We are all looking forward to the upcoming holidays. There is a lot going on in our Club for November and December. Read on for details on the upcoming holiday collection swap and Dec. 4th holiday luncheon.

*We hope you are up to date on your flu shot and COVID-19 booster.
We are looking forward to seeing you at the November 15th meeting.*

Committee Updates

Home Life/Women's Health Committee

We learn something new about the COVID virus every day. Did you know that you can help protect yourself by taking zinc and vitamin D? Research shows that people who become ill have low levels of D and zinc. Zinc is the mineral most common in OTC cold remedies.

November is Diabetes Awareness Month which also includes Diabetic Eye Disease. It is very important for those of us who are diabetic to be vigilant in monitoring sugar levels. Also, make sure you see an Ophthalmologist regularly. The Arthritis Diet that you received at last month's meeting will work very well for diabetics as well since it is low glycemic. ~ Diane

From Diane:

I will continue to work on the sock puppets for Operation Smile. Diana and other friends are helping to finish them. Big thank you to Patt, Peg, Cathy, Jeannie, Sue, and Diana for all the trimmings and googly eyes! If I missed someone, forgive me. It is a real joy putting them together since they are *sooooo* cute.

~ Diane

Join us on Monday night, November 15th, for the Mayfield Women's Club "Hats for Heifer" Event. For only \$10 you can get an actual Heifer Hat (*), great for personal use or for a gift. Please bring checks only for payment. **Make checks payable to Mayfield Women's Club GFWC/OHIO**

(*) NOTE: All hats are knitted from yarn and contain 0% actual heifer.

~~~~~

Thank you to all who worked on and supported the HATS FOR HEIFER Fundraiser. We will complete the project at the November meeting. We will have the same setup as last month with Ornamented Hats and Scarves for sale at a \$10.00 contribution to Mayfield Women's Club. We request payment with **checks made out to Mayfield Women's Club GFWC/OHIO**. This will be the last opportunity to see the beautiful work Diana and Peg have created and the beautiful ornamental pins Marcia donated for the hats. What a wonderful team to work with.

*I would like to thank all the members for the efforts everyone made to have the Club survive in this crazy world. May your Thanksgiving and Holiday Season be blessed with health and happiness for each of you, shared with those you love. I count the women of this Club very high in the blessings of my life list!*

We are so fortunate to be living where we are, sharing our lives and love with whom we chose.

May 2022 bring us a little more tranquility in our lives and in our Country. Stay well.

My love to all. ❤️
