A Message from Our Co-Presidents

November, the Month of Thanksgiving

We are thankful for the opportunity to serve the many women of this loving and giving club, and for my Faith, my Family, my Health and my Friends.

What are you thankful for?

Enjoy this holiday with your family and friends. Remember all those who cannot celebrate with their loved ones: the military, the medical personnel, the firemen, the policemen and all first responders, etc.

Perhaps at the November meeting you would like to sit next to someone you don't normally sit next to and share what you are planning on doing on Thanksgiving and make a new friend!

Co-Presidents ~ Pat and Mary Ann

Committee Updates

Hospitality Committee

International Committee

November is the beginning of Fall and Thanksgiving has always been so very special. The park is beautiful and the critters are busy storing away food for the more difficult days ahead.

International Committee – *continued*

They scurry around salvaging the acorns that fall from the old oak tree that seems to produce more each year.

A time to stop and think of how blessed we are, for the country we live in, the families we love, the friends we share, the right to our own choices (good or not so good).

All things we take so much for granted, when so many others do not have these freedoms. The year 2022 is beginning to age and a new one, 2023, on the horizon. A New Year, like a gift, ready to be opened, examined and enjoyed.

My gratitude for the years of support and participation you have given to the Club and to the efforts of International—and the best gift of all—your friendships.

Reminder~

Marty and I talked to the house mother about Christmas gifts for the ladies and the kitchen. The ladies would love new sleep shirts. They are normally button down the front and are knee length. Needed are: 1-medium, 2-large, 2-extra-large, 3- 2 XL or 3-XL. Please include receipt or gift receipt. Please call Chris if you purchased one so it can be crossed off the list.

They would all like stretchy footies (They are short socks that only come up to the ankle.) They wear them in their boots.

The house mothers would like a large soup pot and a non-stick fry pan. Some ladies could go together or give Chris a few dollars and she will do the shopping and wrapping. Please give Chris the gifts at the November meeting or December Holiday Party.

Thank you!!!
