

Mayfield Women's Club, Inc. GFWC/OFWC

Newsletter

October 2020

General Meeting: Monday, October 19, 2020
Time Change: 1:00 PM
Location: Mayfield Village Park Area – Covered Pavilion
 –Located between the pool and the playground.
 Park in the main parking area
 ***Bring your own chair!

♥♥ If you have Club information to share, please bring copies of it to distribute and to give to the Recording Secretary. It is very difficult to hear outside with the wind and social distancing!

MWC'S CO-PRESIDENT'S MESSAGE

Hello Ladies.... As we gather at the Mayfield Village Shelter again for our October meeting, we are reminded of how much we have enjoyed being your Co-Presidents for the last two years. It is with great pleasure that we turn over the gavel to our new Co-Presidents Loretta and Diana. Marie graciously organized a "transition team" to help our leaders during this crazy time! Now, we are going into semi-retirement as Parliamentarians. We hope that you will be able to attend our Installation of Officers at our October meeting to show you support for MWC and our Officers. Thank you all for making our Administration productive and fun! No costumes this year, just masks....

♥ Diane and Georgene

Committee **NEWS**

Art Committee ~~Diane

We have some ideas to make Holiday door hangings for people in nursing homes. If you would like to join in, contact Diane.

Conservation Committee ~~ Joan

Fox 8 News, posted 9-8-2020: "Some of the millions of monarch butterflies that migrate from Canada to Mexico each fall are back in Cleveland." From Labor Day through mid-October the migrators will fly through our area. They can be seen almost anywhere along the lakefront from early hours to dusk. After the 50-60 mile flight across Lake Erie, monarchs find us a great resting place. Hope you have some still-blooming flowers so they can do some nectaring and build up their reserves.

Home Life ~~ Diane

October 12th is World Arthritis Day. Most of us are afflicted with this condition, especially at our age. One small tip for pain relief – Concentrated tart cherry juice. A tablespoon or two a day helps relieve inflammation. You can also take it in capsule form. Tart cherry juice concentrate is recommended by the Arthritis Foundation.

Home Life - continued

- October is Breast Cancer Awareness Month. If you still have your pink ribbon pins, wear them to the October 19 meeting.

Installation 2020-2021

~~ Marie

In this highly irregular year, **we will be installing our 2020-21 MWC Officers at our October 19th meeting, at 1 pm.** The Mayfield Village Pavilion, nestled between THE GROVE and the new children's playground, will afford us cover. We will be outdoors and gearing up for Mother Nature. Please dress/layer for the weather and bring along a chair. Some tables are there, but we will want to maintain social distancing. There will be the new Officers and a program, and we count on your smiling faces and kind hearts in attendance! For those who have never been there, the pavilion is easily and readily accessible from the adjoining parking lot. Because we will have our brief and mandatory annual meeting, we will need a quorum, so we ask that you make your best effort to be there.

Due to the necessary circumstances, there will be no banquet this year~~To celebrate in 2021!

I'm looking forward to our time together again and hope you are too!

Membership ~~ Audrey

Last call for membership dues. Information must go to the state for Mayfield Women's Club registration.

Social ~~ Judy and Sue

As the organizer of the Sunday, September 20th social event I have to say although there were only four of us, we really enjoyed some great conversation and some delicious food! We had to change from Alfredo's to the Rustic Grille and it worked out well since their patio is heated!

We will not be organizing any Social Activities until the Holiday outing in December. In lieu of a formal activity, please reach out to someone you feel may be needing a virtual "hug", if you are so inclined.

Ways & Means ~~ Pat

TERRI LYNN NUTS: The NUTS have arrived and are ready for pickup!!!!!!!!!!

- ◆ Call me and let me know when you will come as I will put your clearly marked bag of nuts on the front porch.

Welfare ~~ Marty and Chris

Collection: ◆ Bring to the Pavilion!

- ★ Bags of Love—If bringing toiletries, cards, etc. please write on the outside of the bag the number of items and the approximate value. Doing this is a HUGE help for Chris and Marty.
- ★ 2021 Calendars for Veterans, shut-ins, and nursing homes.
- ★ Bring toiletries, calendars, new unused cards, cards to be recycled, children's books and cookbooks. ~~ Contact Chris
- ★ Collection of Mittens, Scarves, Socks, Gloves, etc. can be dropped off starting Dec. 1st for the Mitten Tree. Contact Betty Jo ~~Patsy
- ★ Snack bags for Ronald McDonald House will be greatly appreciated.
- ★ On-going collection of toiletries and calendars and cookbooks.

Welfare - continued

- ★ The Halloween party for the ladies at The Way will be delivered "in a box" this year: a craft, a gift of a scatter pin (wrapped), three children's card games that they will keep: Old Maid, Crazy Eights, and Go Fish. Also included will be Halloween cups, plates and napkins for donuts and cider.

Ladies, thank you for always being so generous!!! ♥
