### MWC'S CO-PRESIDENT'S MESSAGE

Welcome back ladies to another exciting year! The Presidents' Picnic was fun, food was great, and it was so nice to see everyone again. Thanks to all of you who met with your committee members this summer to plan the coming club year. Lots of new ideas from our new members which will spice things up a bit! It is easy to get into a routine, but we want to avoid getting into a rut. We challenge each of you to talk to a member you don't know well. Sit with different ladies during snack time just to socialize. Give a call to members who aren't able to come to a meeting. Offer to pick up another for social events. It was such an eye-opener at the new member meeting to hear the stories, and I'm sure we all have a story to tell and stories we would like to hear. We will be installing the members who were not at the June luncheon at the September meeting ~ That includes Martii, Mary Ann, Joan, Loretta and Nan. Also, we want to let you know that we appreciate all of you in the Club who continue to keep Mayfield Women's Club successful. Looking forward to a great year!

##### Milkweed for Monarchs

 The amazing migration of monarch butterflies to their second home in Mexico started toward the end of August and continues to November ...depending on their starting point/take-off point. We hope their great-great grandchildren will be devouring our milkweed next Summer! Tune in next March....

### **♻️ Pill Bottle Recycling**

Last year we collected 200 pill bottles to send to third-world countries so doctors could give their patients something in which to carry their pills home. This year we have already collected over 200 bottles. So keep up the good work!

However, I need your help. Lately, I've received lots of bottles that still have adhesive on them and have not been washed. **ALL** bottles need to have the labels removed, **ALL** of the adhesive removed, and both the bottles and caps put through the dishwasher.

I use an amazing spray adhesive remover called Motsenbocker's Adhesive Remover. A 22 oz. spray bottle is available on Amazon for \$8.99. After removing as much of the label as I can, I spray the bottle with the adhesive remover, let it set for 30-60 minutes and often find that the remainder of the label will peel right off. Please, please, please give it a try. It will save me a lot of work as we can't send the bottles in if they are not completely clean. Thanks! ...Barbara

### **Membership**

A warm welcome to Barbara Welty! Upon Board approval, she will be installed at our September meeting. We look forward to her ideas and friendship. We will then have 44 amazing members!

♻️ **Glasbena Matica Slovenian Singing Society** presents, "With a Song in Our Hearts..." on Sunday, September 29<sup>th</sup>, 2019.

Glasbena Matica is a Cleveland-based, Slovenian American chorus dating back to 1930. We invite everyone to enjoy a wonderful afternoon of Slovenian favorites and American classics. Selections range from choral favorites by Peter Lutkin, and Richard Rogers, Slovenian folk songs and a Slak polka, to musical arrangements by contemporary Slovenian musician Damijan Močnik, all bringing to life the love that we have for those who have blessed our lives.

The concert will be performed at St. Mary's Parish Hall, 15519 Holmes Avenue, Cleveland. This venue is handicap accessible (no steps whatsoever), acoustically favorable and audience friendly. Doors will open at 2:00 P.M. Slovenian-style refreshments catered by Joe Tavcar will be available for purchase at opening and after the performance. Music begins at 3:00 P.M. conducted by John Slike, accompanied by Michael Cercek, with accordion played by Anthony Culkar. After the concert, all are encouraged to enjoy fellowship, mingle, and dance to the music of The Culkar Trio. There is plenty of available parking, but carpooling for those unfamiliar to the Collinwood area would be very welcome.

Committees – continued

Admission to the concert is \$15.00 per adult, and free to those 18 and younger. Advanced tickets may be purchased through choral members (Marie!) Tables and tickets may also be reserved by calling Machala Comenshek at (216)-421-4159. Tickets will also be available at the door the day of the concert.

Please join us as we continue to preserve our Slovenian-American tradition “With a Song in Our Hearts!”
